

Message for Businesses that Qualify for the
SMALL BUSINESS ENERGY EXEMPTION

**THE EXEMPTION PROCESS IS NOW AUTOMATED AND
EFFECTIVE FOR TWO YEARS**

Instead of filling out Form ST-13 for each utility company, the business will complete the information for the exemption online through the Department of Revenue's [MassTaxConnect](#) application to receive a Small Business Energy Exemption Certificate. The Certificate will be effective for two years. Once you have registered online please forward a copy of the exemption certificate to info@georgetownlight.com

QUESTIONS AND ANSWERS

Have the requirements for being considered a small business changed?

No. But the process for qualifying for an exemption is changing and will now be automated through [MassTaxConnect](#)

When do I need to get the next Small Business Energy Exemption Certificate?

You will be able to register for and receive an exemption certificate online through [MassTaxConnect](#). All small businesses must register online to be entitled to the exemption. Filing on paper will no longer be acceptable. The certificate is valid for 2 years. Once you have registered online please forward a copy of the exemption certificate to info@georgetownlight.com

Who do I contact if I am having trouble with this process?

Information is available on [MassTaxConnect](#) or call customer service at 617-887-6367 or 800-392-6089.
