MINUTES

- If Available, Review and Approve Minutes from 8/19/2014 & 9/23/2014 AHTF Meetings.

OLD BUSINESS

- Review Turning Leaf status as it pertains creating 2 affordable housing units 'in situ' – this is beginning the process of working with Turning Leaf to ensure all DHCD requirements are met.
- Review Inclusionary Bylaw from the perspective of proposing changes which would eliminate any confusion on how to apply this Bylaw.
- Review of Accessory Housing Bylaw for submission to ZBA and Planning Board.

NEW BUSINESS

- Discussion of affordable housing with Habitat for Humanity.
- Discuss how best to move forward in using current AHT affordable funds for creating 'affordable housing' in Georgetown - assuming Turning Leaf builds the two 'in situ' affordable units.
- Prepare for meeting with AHT (see previous bullet).
- Any other business that an AHTF Member proposes for discussion

Next Meeting: Joint Meeting with AHT on 10/15/2014
